

I'm hoping that we have a nice, quiet February. January started off with so much excitement that we could use a calmer pace for a while. Sometime during the month we will have a visit from Drs. Jamison & Morrow, Pediatric Dentists. The hygienists will come do show and tell with the kids about brushing and flossing. We are still negotiating a date at this time.

Our Chapel stories this month begin to focus on Jesus' ministry. On 1, we learn about the disciples when our story is "Jesus' Friends Follow Him." "Zaccheus" tries to see Jesus in our story on 8. Two sisters, "Mary and Martha," have very different ways of serving Jesus - we'll learn about them on 15. And, on 22, we'll learn about Jesus' special love for children when we hear "Jesus Loves the Little Children." Please remember that you are always welcome to share Chapel time with us. We meet on Monday: 9:30 a.m. in the Sanctuary for the older kids and 10 a.m. in the Big Room for the younger kids.

Ms. Mary will be here to read to the children Wednesday, 10. Love will be in the air Friday, 12, as we celebrate Valentine's Day with classroom parties in the afternoon. Hot Dog Lunch will be Friday, 19. Bonkers will be here to make us laugh Thursday, 25. We'll end the month with Pizza Lunch Friday, 26. (\$3 please!)

Please remember the Children's Center in your prayers!

Miss Diana*
